You may write one check for your registration fees and swim caps.

For 2010, you may preorder a silicone swim cap that is personalized with your child's name. The caps will be black with the green tarpon fish and the word "Tarpons" written above the fish. Your personalization will appear under the fish. **YOU MUST ORDER A MINIMUM OF 2 CAPS WITH THE SAME PERSONALIZATION ON THEM.** Therefore, if you have more than one swimmer on the team you may want to use your last name for the personalization so the caps can be shared.
